Front Porch Partners || June 2023

## Letter from Karen Wheaton

Hello, my Front Porch Friend and Partner.

I can hardly believe it, but it's been over a year since we first launched Front Porch Partners at our Front Porch Friends Conference in April 2022! Whether you've partnered with us since then or have recently begun partnering with us, thank you, from the bottom of my heart, for joining us to see a generation changed by the love of God.

It's always such an incredible honor and joy to be able to encourage and strengthen those who are standing in the gap for prodigals and believing for miracles. Together, we have seen God do the impossible. We will never stop standing in the gap and believing for miracles.

Just a reminder for your continued support in prayer and giving, we are entering our busy summer schedule with three Summer Ramp events on June 22–24, July 13–15, and July 27–29. Would you agree with me for the Presence of God to come and transform hearts and lives?

Now, more than ever before, our children and young people need to experience the love, protection, and power of God. There is an all-out assault against them, and we must stand up for them against the enemy. We must provide a place for this generation to receive what they need from our Heavenly Father to withstand the adversary and fulfill their God-given purpose. Let's continue to make that happen together.

Until,

# God is Our Healer!

## Story from Kids Ramp 2023

On June 8th-10th, we hosted Kids Ramp in Hamilton! We had over a thousand children and parents in attendance. Each service was filled with the presence of God. The altars were flooded with children hungry to see God, including hundreds that responded to receive the baptism of the Holy Spirit. We were left in awe of how God moved in the lives of these children. Immediately following Kids Ramp, we received a testimony of a young boy who has struggled for many years to eat meals as normal. He had lost much weight and was unable to get answers from Doctors. One encounter with God at Kids Ramp changed everything! Now, this young boy has been completely healed, has enjoyed meals, and is a living testimony that God is our healer!
